Dear Ashar Noman,

We are pleased to confirm your appointment as a **Part-Time Remote Developer** at **Binary Solutions**, effective from the date of signing the accompanying Memorandum of Understanding (MOU).

Under this engagement, you will be contributing to the successful development and deployment of Phase 1 of our Minimum Viable Product (MVP) as detailed in the attached MOU.

This role offers flexibility in working hours, a milestone-driven structure, and the opportunity to transition into a full-time position, potentially as a **Lead Developer**, upon successful and timely completion of Phase 1 deliverables.

Your compensation will be as per the terms set out in the MOU, with a fixed monthly payment of PKR 50,000, payable between the 28th and 31st of each calendar month starting after the initial project month, as specified.

Please carefully review the MOU attached with this letter. Should you agree to the terms and conditions, kindly sign and return a copy of the MOU to initiate the formal start of your engagement.

We are excited to have you on board and look forward to building a strong and innovative platform together.

Welcome to Binary Solutions!
